We want to share a special event that took place this year because of your support. Since 2001, our desire was to have an annual Benefit Bike Ride. The desire came from the love Stacie had for life. She enjoyed the outdoors and bike riding was something we did together. This year we were able to hold the First Annual Benefit Bike Ride for the Foundation in honor of Stacie's 28th birthday, August 21st! We praise God that the doors opened for this event to take place. Please mark your calendar for August 20, 2011, as we will be holding this event again this year.

The **VISION** in 2011 is for **S.T.A.C.I.E. Foundation** to continue offering our seminar, "Impact of Victimization" to law enforcement agencies and their entities. As we come along side each area of law enforcement and the judicial system with victim impact education and training, we also desire to continue development of the healing education for the crime victims and survivors. Each of these offerings allow us to move forward and have a greater affect on our communities as a whole.

We plan to apply for grants, extend scholarships to students who are pursuing a career in law enforcement and criminal justice. We would like to be part of the educational classroom for law enforcement during their educational stages by offering a class with lecture as well as development of curriculum.

Please allow me to take a moment and share the ministry, “**Heal My Wounds, Leave My Scars.**” In 2008, the Lord lead us to form this ministry through the various speaking engagements with **S.T.A.C.I.E. Foundation**. By sharing our story to multiple entities of law enforcement, the doors opened for us to be invited into correctional facilities. From our first invitation through today, we have been visiting correctional facilities. The ministry began with the vision to reach out to those men and women incarcerated and those who are preparing for re-entry into society. Our focus is for each individual to see the hands and feet of Jesus and bring HOPE, healing and compassion. Please feel free to visit the **S.T.A.C.I.E. Foundation** web site and select the “About Us” tab and highlight Heal My Wounds or click on the link below. You will discover more about this ministry.

The **VISION** for **Heal My Wounds, Leave My Scars** is development of ministry materials, its own web site, educational materials and development of positive motivational materials for those incarcerated. We will continue to attend speaking engagements for correctional facilities and pre-release centers. We plan to distribute Bibles and offer Bible studies.

God has opened many doors and we are truly grateful and blessed. All of these opportunities are because of faithful supporters like you. We operate solely on your prayer and financial support. We have had many doors opened and accomplished much, however we know there is more work to be done. Our vision and mission is to make a positive impact in and around our communities.

We are asking for you to prayerfully consider your continued financial support of the **S.T.A.C.I.E. Foundation** and **Heal My Wounds, Leave My Scars Ministry**. Your donations are tax deductible. There are no profits for personal gain. Every dollar received is to expand the projects of each entity.

Donations can be made through our web site [www.staciefoundation.org](http://www.staciefoundation.org) or by check made payable to: S.T.A.C.I.E. Foundation and mailed to the address below. As a supporter, we will add you to our Sponsor Page on our web site and include a link to your web site (if applicable).

May God richly bless you and challenge you to make a difference in and around your community. We are grateful for your support.

In His Grace,

Lorraine Whoberry  
Founder, President
